

set_rectangle_frame

```
graph LR; A[set_rectangle_frame] --> B[set_rectangle]; B --> C[set_pixel];
```

A flowchart illustrating a sequence of three functions. The first function, 'set_rectangle_frame', is highlighted with a gray background. It points to the second function, 'set_rectangle', which is a white box with a black border. This second function points to the third function, 'set_pixel', also a white box with a black border. All three boxes are connected by dark blue arrows pointing from left to right.
